EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with James Durlacher on August 31, 2004.

NOTE: The Office Action of August 18, 2004 has been vacated in view of the Board of Appeals decision. Claims 1-19, 24-26, and 31-38 (all pending claims of record) are allowed.

The application has been amended as follows:

In the specification:

On page 1, 3rd line under REFERENCE TO RELATED APPLICATION, replace "presently pending." with --abandoned.--.

In the drawings:

The following changes to the drawings have been approved by the examiner and agreed upon by applicant: formal drawings are required since several of the drawings

are informal (e.g. drawn on graph paper). In order to avoid abandonment of the application, applicant must make these above agreed upon drawing changes.

The following is an examiner's statement of reasons for allowance: the claims have been allowed in view of the comments cited in the 1st full paragraph on page 4 of the Board of Appeals decision mailed June 29, 2004.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
